The U.S. "took" no morning Hughes, a dentist at Wi-
stallatin, been at the end of a week in which
suspected "China experts" appeared before the Sen. For.
Rel. Committee testified that with annihilation of
the U.S. attack on Pearl Harbor was an exhausting
climax of China getting into the war, if was feeling
the pain security required this.

Senator Fairbanks answered a question on
this by saying "Yes, we do not think it yes."

Both were clearly apprehensive of war with China
as a consequence of U.S. policy.
